MultiFit is the Weidmüller marker system used for other makes of terminals in 4, 5, 6, 6.5, 7.5, 8, 10 and 12 mm pitches. Similar to the Weidmüller dekafix, the markers of the MultiFit family are available ready-for-use with standard printing.

For the initial use of **MultiFit** we recommend to carry out a test with sample markers on the terminals used.

- One marker, suitable for different makes of terminals.
- Ready-to-use markers with standard printing
- Blank markers for individual printing with **SMark laser**, **PrintJet ADVANCED**, **plotters** or **MC-Mobilo**
- Delivery of individually printed markers according to customer CAE data or requirements
- One marking system for all applications
